Resolution 01072019-002

Whereas; The property owners who live on J Pruitt Lane sent forth a formal request to investigate the possibility of bringing it into the Owen County Road Maintenance List and

Whereas; Upon receipt I tasked the Owen County Road Foremen, Dusty Hensley, to evaluate the length of J Pruitt Lane in order to identify whether it would qualify per Ordinance 218 and

Whereas; Dusty and I have completed the said evaluation, I offer the following findings for your consideration.

1. I have verified that J Pruitt Lane was clearly a Grade & Drain road on the 1937 Kentucky Department of Highways map.
2. I have verified that the road is currently and has been assessable to public access for more than 15 years and some of the current residents have been maintaining the road at their own expense for more than 15 years.
3. Dusty identified a space .75 of a mile from HWY 22 E. to be adequate for a turnaround.
4. In the .75 I have verified that there are currently 10 full-time residential properties being accessed by said road.
5. In the .75, I have verified that there is a property valuation of \$1,035,900.00 per the Owen County PVA records.

NOW THEREFORE BE IT RESOLVED that on the 7th day of January 2019 the Owen County Fiscal Court does hereby authorize the Judge/Executive to file all appropriate paperwork to establish J Pruitt Lane as being added to the official Owen County Road Maintenance list, being managed by the NKADD on behalf of the Kentucky Transportation Cabinets.
